

SAPEX Limited

SAPEX is an energy explorer for:

- Oil & gas
- Coals Seam Gas
- Coal derived products from Underground Coal Gasification.

The company interests are in the onshore Arckaringa Basin (7 PELs & 2 ELs covering 65,000 sq km) and the St Vincent Basin (one PEL, 9,500 sq km).

The company is embarking on an active exploration program on all three commodities during 2008.
